X-tray

X-Tray wire trays integrate easily with Axelent's X-Guard machine guards. The trays are strong, adaptable and easy to assemble without the need for special tools.

X-Tray fulfils all the requirements for cable routing systems in compliance with IEC 61537. X-Tray is also certified by UL, E90, SP and DNV-GL.

All cable trays and fittings are black galvanized to match X-Guards black panels.

Axelent's cable trays are designed for **many applications** and are **tested and certified** to guarantee the best quality.

** Our UL certification also gives us NEMA approval.*
