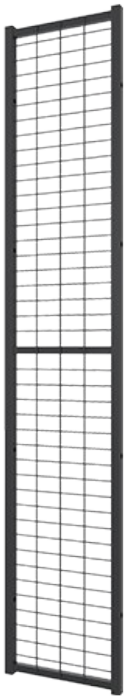
Wandelemente

X-Guard Lite ist eine Basis-Version von X-Guard® Classic.

Die Wandelemente sind in drei verschiedenen Höhen verfügbar - 1300, 1900 und 2200 mm (Endhöhen jeweils 1400, 2000 bzw. 2300 mm inkl. 100 mm Bodenfreiheit). Die Elemente sind in 13 verschiedenen Breiten verfügbar, die Maschenweite beträgt 50 x 30 mm.



Die Standard-Farbe der Wandelemente ist RAL 9011. Individuelle Farbwünsche unserer Kunden lassen sich auf Anfrage einfach realisieren.

Hinweis Türanbaupakete
Türanbaupakete wählen Sie bitte aus der X-Guard-Serie Classic. Bei der Bestellung der Türanbaubaupakete müssen zwingend Türwandelemente und Bodenstützen aus der X-Guard Classic-Serie sowie die entsprechende Verriegelung mitbestellt werden.
