

Netpanel

Netpaneler leveres med to forskellige maskestørrelser: Premium 50x20 og Classic 50x30 mm. Det påkrævede sikkerhedsafstand afgør, hvilken maskestørrelse der skal anvendes i den pågældende installation.

Hvor Classic 50x30 kræver en sikkerhedsafstand på mindst 200 mm, giver Premium 50x20 mulighed for en reduceret afstand på helt ned til 120 mm.

Classic 50x30 fås i fire højder. Panelet på 750 mm anvendes udelukkende som **forlænger** til de øvrige højder. Panelerne leveres i 13 forskellige bredder – dog fås varianten på 1300 mm i 14 bredder. Alle paneler er konstrueret med en 30x20 mm ramme og leveres med fabriksmonterede beslag for hurtig og enkel montering.

Nettet er opbygget af lodrette tråde med en diameter på 3 mm og vandrette tråde på 2,5 mm. Standardfarven er sort (RAL 9011), men specialfarver kan leveres efter ønske.

Premium 50x20 har en højde på 2200 mm og fås i seks bredder. Præcis som Classic-serien har panelerne en 30x20 mm ramme med fabriksmonterede beslag, der letter installationsarbejdet. Nettet har samme kraftige dimensioner med 3 mm lodrette og 2,5 mm vandrette tråde. Panelerne leveres som standard i sort (RAL 9011), men kan bestilles i specialfarver efter behov.
