Standard (F)

Our Axelent Standard (F) storeroom system definitely belongs among our top sellers as the strength and security that this provides is often adequate enough. We have prepared for everything to run as smoothly as possible already at the design stage when the walls are on site and are to be installed.

- With extra robust tubular construction in the doors.
- Can be combined with the FK and FP systems.
- Can be cut to suit existing construction.
- Can be supplied with a roof for ceiling heights exceeding 3.5 metres.
- The walls are painted in RAL 9018.
