Pannello in rete Lite

X-Guard Lite è una versione più sottile e leggera del sistema standard.

Il pannello è disponibile in tre altezze (1.300, 1.900 e 2.200 mm) e 13 larghezze differenti. Il colore standard del pannello è RAL 9011. Tuttavia, i pannelli sono disponibili anche in altri colori a richiesta.

The size of mesh is cc 50x30 mm. The mesh consists of vertical wires of Ø 3 mm and horizontal wires of Ø 2.5 mm. The recommended safety distance is 200 mm.

The standard panel colour is black (RAL 9011) but customised colours are available upon request.
