

# Mesh panels 25x25

The mesh section is available in two widths, 1100 mm and 2200 mm and three heights. The standard section colour is RAL 9018 (light grey). We can however supply panels in the colours customers require.

Post extensions are available as an accessory. This makes it possible to mount the guard higher than the post itself.

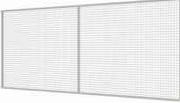

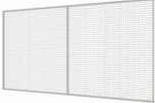

## モデル

### Height 1100mm 3 品目

品目 / 本製品について		高さX幅 (MM)	メッシュ開口
	520-100110	1000x1100	25x25
	520-120110	1200x1100	25x25
	520-150110	1500x1100	25x25

## Width 2200mm 3 品目
