Kick plate

We offer two different packages of Kick plates, one for panels and one for doors.

This Kick plate fits:

- X-Rail
- X-Guard Lite, Classic and Premium
- X-Store 2.0

The Kick plate for panels is available in lengths of 1000 mm and 1500 mm, for other lengths the plate has to be cut into the proper length on site during assembly.

Kick plate for doors comes in length 1000 mm and 600 mm and will send out in different packages to fulfil the opening width of the different doors.
