Tool panel

X-Guard's Tool Panel enables you to keep all your tools and accessories needed to manage your machinery close at hand.

The panel comes in heights of 1900 and 2200 mm and is 700 mm in width. The standard colour is RAL 9011. A host of accessories are available for hanging up tools.

The X-Guard Tool Panel is a practical addition to machine guarding systems, providing easy access to tools and accessories needed for efficient machine operation. Designed for industrial environments, it helps operators keep essential equipment organized and within reach.

Available in a 700 mm width with heights of 1900 mm and 2200 mm, the tool panel integrates seamlessly with X-Guard systems. Its RAL 9011 finish ensures a durable and professional appearance.

A wide range of accessories is available to customize the panel for different storage needs, making it adaptable to various workspaces. Whether in manufacturing, maintenance, or production environments, the X-Guard Tool Panel enhances workflow efficiency and industrial safety.
